CONGRATULATIONS!

The Chester County Daily Local News once again thanks our readers and our business community for participating in our Annual Reader's Choice Awards!

We started earlier this year asking readers to pick their favorites for Best of Chester County 2026. We received thousands of votes this year. This year's list of restaurants shops and places that make Chester County so fabulous is one of our best! We love listing so many extraordinary spots you may not know about or those familiar to you.

While the following lists show your winners, we encourage you to support businesses in your neighborhood, around your town and throughout the county. Please continue to support our local economy by shopping local. Shopping local puts revenue back into the community and helps sustain area jogs.

So enjoy this section, mark your favorites, and hold onto this special section highlighting the best of our towns in Chester County. The Daily Local News looks forward to bringing you the best of what Chester County has to offer each and every day in print and online at www.DailyLocalNews.com

Congratulations to the Winners and thank you again to all that participated. - *Denice Schaeffer, Sales Director*

Note: This is a readers choice contest. The businesses are not endorsed by Media News Group. All names and spellings were confirmed to the best of our ability. We apologize for any misspelled names, or categories. Advertisers get no preferred treatment in the voting process.

We Feel the Love.

Daily Local readers have voted, and the results are in. You've named CarShop **2026's Best Dealer in Chester County**. It's not only an honor, but a pleasure to serve Chester County year after year, first as CarSense, and today under our new name CarShop. Our customers are at the center of all we do and the very reason we skip all the silly "typical car dealership" stuff. Thank you for your trust. We hope to see you soon.
